

Jesus Is Our Friend

Scripture: John 14:6

VERSE 1

Jesus was born in Bethlehem
In a little stable bed
He grew up strong and kind and wise
Just like the Bible said

He loved the children near and far
He listened when they came
He showed God's heart in everything
And called each one by name

He lights the path we see
He lives forever in our hearts
And calls us family

PRE-CHORUS

He held the little lambs
He calmed the stormy seas
He taught us how to love
And bend our knees

CHORUS

Jesus is our friend
Jesus is our King
Jesus is the Son of God
He's our everything
Jesus is our friend
He loves you and me
Jesus is the Son of God
And He sets us free

VERSE 2

He fed five thousand hungry hearts
With loaves and fish to share
He healed the sick and lifted up
The people in His care

He took the cross for all our sins
Then rose up from the grave
Now every child can trust His love
He's mighty strong to save

BRIDGE

He is the way, the truth, the life

Bible verse · Little lesson

Jesus Is Our Friend

"Greater love hath no man than this, that a man lay down his life for his friends."

— John 15:13 (KJV)

LITTLE LESSON FOR LITTLE HEARTS

Jesus is the truest friend you'll ever have. He knows everything about you and loves you anyway. He laid down His life on the cross so that everyone who trusts in Him could be His friend forever. There is no friend like Jesus.
