Bible verse · Little lesson

Listen and Obey

"Behold, to obey is better than sacrifice, and to hearken than the fat of rams."

— 1 Samuel 15:22 (KJV)

LITTLE LESSON FOR LITTLE HEARTS

God doesn't just want our songs and our gifts — He wants our 'yes.' When we listen and obey, we are saying we trust Him. Jesus listened perfectly to the Father all the way to the cross, and now He gives His people new hearts that want to obey Him with joy.
